The Summer Experience Season Tickets 2012

Family season ticket for all the family

Buy a season ticket for each of 2 adults (parents) and the eldest child (or youth), and all other children get a free season ticket.

It is a condition of these reductions that all family members are resident at the same address.

Acceptable proof is confirmation by the local housing authority or a valid passport or photo ID card bearing the address.

„Half“ family season ticket

Buy a season ticket for both an adult (mother or father) and the eldest child (or youth), and all other children get a free season ticket.

It is a condition of these reductions that all family members are resident at the same address.

Acceptable proof is confirmation by the local housing authority or a valid passport or photo ID card bearing the address

„Children’s“ family season ticket

Buy a season ticket for each of the two oldest children or youths, and all other children get a free season ticket.

It is a condition of these reductions that all family members are resident at the same address.

Acceptable proof is confirmation by the local housing authority or a valid passport or photo ID card bearing the address.
