QUALIFICATION

As the Kaiserkrone Marathon Trail is also a high alpine trail, corresponding experience of marathon distances or longer are absolutely required and the following qualification standards apply:

Marathon Trail: 2 ITRA (International Trail Running Association) points or Speed Trail

The lists of competitions with 2 ITRA points can be found here:

<http://www.i-tra.org/page/290/Calendar.html>

If you have not yet run a race with ITRA points, then finishing a Speed Trail of 20km or more counts. Alpine experience and orientation in alpine terrain are prerequisites.

The qualification points will be checked by the organisation team after registration closes using sampling and sending corresponding results lists. Each participant registering on a cash on delivery basis will be checked.

Participants under 18 years of age may not start.

We recommend at least 6-10 longer runs of 4-8 hours in a 12-week preparation period for the Marathon Trail to Ultra Trail, plus night runs for the Endurance and Ultra Trail, practising food intake and also training with a full hydration pack and mandatory equipment to get used to the weight of the hydration pack. You can also have your own custom training plan made for you to help you successfully complete the Kaiserkrone Marathon Trail.

AUSTRIAN TRAILRUNNING CUP 2021

The Kaiserkrone Marathon Trail is one of the Austrian Trailrunning Cup 2021 competitions. Finishing each competition is a prerequisite for participating in the Austrian Trailrunning Cup 2021 competitions.

The participant must register on the ATRA website www.atra.club with their name, time and distance run within 14 days of the closing of each respective competition in order to get into the ranking of the Austrian Trailrunning Cup 2021. After the 14th day, the results of all registered participants will be evaluated and the current rating published on the ATRA homepage. Participation in the Austrian Trailrunning Cup 2021 is free of charge!

CATEGORIES:

Starting with the fastest registered participant per route: 100 points, 90 points, 80 points, 70 points, 60 points, 50 points, 40 points, 30 points, 20 points, 10 points. The fastest 10 participants per competition are ranked. In addition to the above ranking, there is also the ranking of the most kilometres run. The award ceremony for the final score will take place in June 2021, be published on the ATRA homepage www.trailrunning-verband.at and announced to all registered participants.

IMPORTANT INFORMATION / DISCLAIMER / DOPING

Route marking in accordance with ITRA Security Guide:

Route marking in accordance with ITRA Security Guide: The Trail route is marked by an experienced and skilled marking team using chalk spray, signs, tapes, flags, reflector spray at night etc. There is, however, no entitlement to a continuous marking of the route that would make a person's own orientation in the alpine terrain redundant. The markings may disappear, become covered or not immediately detectable, especially after dark, during heavy rainfall, snowfall or other adverse weather conditions, which is why each participant must carry the route map with them. The event organiser makes the Marathon Trail GPS file available for download and recommends a GPS device to aid orientation for this reason. Unfortunately, third parties may sometimes remove the markings. The markings are removed by the officials trailing the field in segments immediately AFTER the time limit has expired. The route is then NO longer marked.

Rescue costs:

Rescue costs are not borne by the event organiser, landowners etc. and must be paid by the accident victim. For this reason, mountain rescue insurance is strongly recommended. Each participant signs a disclaimer to this effect when collecting their start number.

Rules of conduct:

Trail running events are held in nature, lead through nature reserves and over existing paths, trails, gravel paths, forest roads, and private and public roads. Traffic laws must be observed and you must run on the left with oncoming traffic. Order must be maintained when crossing public roads and private property. Immediate disqualification by the organiser should be expected in the case of unfair behaviour towards other participants, denial of assistance if other participants experience an emergency and if polluting nature. Should you be missing any items from the mandatory equipment at the inspection before the start, these may be acquired before the start if still possible, otherwise starting the Kaiserkrone will not be permitted. Should the items be missing during an en-route inspection, the organiser will take this participant out of the competition.

Disclaimer:

The event organiser accepts no liability for damage to persons and property. This also applies to lost or stolen clothing or other items. By collecting their start number, each participant makes a binding declaration that they have no knowledge of any reasons or risks which may make participation dangerous to their health.

Each participant acknowledges the event organiser's exemption from liability for damage or injury of any kind and will not make any claims for damage or injury of any kind arising from participation against the event organiser, the municipalities and private landowners through whose land the race leads nor their representatives. Each participant declares that they have sufficiently trained for participation in this competition, they are physically fit and that their health has been medically confirmed. The race doctor, rescue workers and stewards have the power to remove obviously physically and mentally weakened participants from the race.

Each participant agrees that the data they provided during registration, and the photos, films and interviews on the radio, TV, advertising, books, photomechanical copies – films, video tapes etc. – they make in connection with their participation in the Kaiserkrone may be used without any reimbursement. Each participant states that their given birth year is correct and that they will not pass on their start number to any other person. (note re. data protection regulations: your data will be stored by machine).

There is no right to a refund of the entry fee in the case of non-arrival. The participant who has already paid the entry fee is not entitled to a refund of the entry fee if the event has to be canceled or postponed to another date due to force majeure or official prohibition.
