SAFETY INFORMATION

If the race is stopped, each participant is responsible for their own transport back to the start/finish area or their lodgings. If stopping the race, each participant is obliged to inform the race management via SMS using the telephone number 0043 676 5509794 provided by the organiser. In cases of emergency, mountain rescue must be called using the emergency app installed on your own smartphone/mobile or using telephone number 140.

Tip: The use of all public buses in the region to the final stops of Kufstein, Wörgl, St. Johann i.T. or Kitzbühel is included in the Wilder Kaiser GuestCard. Free use of the KaiserJet hiking buses to all village centres, cable cars, swimming pools and destinations around the Wilder Kaiser. Free use of the Hintersteiner See lake, Wochenbrunner Alm and Hüttling / Moor & more hiking buses to the hiking starting points. Find out more at: www.wilderkaiser.info

The event organiser and their team assume responsibility for the proper and safe coordination of the race, therefore the instructions of the organiser team, guides, official bodies, doctors and paramedics, marshals and carers at the live points/catering stands must be followed. If the event organisers ascertain a more serious health condition diagnosed by medical personnel, that participant may be taken out of the race.

QUALIFICATION

As the Kaiserkrone Skyrace is also a high alpine and very technical trail, plus the fact that the Skyrace is run on rocky inclines, experience of Speed Trail, Skyrace or longer high alpine race distances is absolutely mandatory and the following qualification standards apply: no fear of heights, excellent surefootedness, absolute fitness required, high alpine experience and orientation in alpine terrain.

The qualification will be checked by the organisation team after registration closes using sampling and sending corresponding results lists. Each participant registering on a cash on delivery basis will be checked.

Participants under 18 years of age may not start.

For the Skyrace, we recommend completing at least 6-10 longer runs of 3-5 hours in a 12-week preparation period, practising food intake and also training with a full hydration pack and mandatory equipment to get used to the weight of the hydration pack. You can also have your own custom training plan made for you to help you successfully complete the Kaiserkrone Skyrace.

IMPORTANT INFORMATION / DISCLAIMER / DOPING

Skyrunner Austrian Series (SAS)

Route marking in accordance with the International Skyrunning Federation (ISF):

The Trail route is marked by an experienced and skilled marking team using chalk spray, signs, tapes, flags, reflector spray at night etc. There is, however, no entitlement to a continuous marking of the route that would make a person's own orientation in the alpine terrain redundant. The markings may disappear, become covered or not immediately detectable, especially after dark, during heavy rainfall, snowfall or other adverse weather conditions, which is why each participant must carry the route map with them. The event organiser makes the Marathon Trail GPS file available for download and recommends a GPS device to aid orientation for this reason. Unfortunately, third parties may sometimes remove the markings. The markings are removed by the officials trailing the field in segments immediately AFTER the time limit has expired. The route is then NO longer marked.

Rescue costs:

Rescue costs are not borne by the event organiser, landowners etc. and must be paid by the accident victim. For this reason, mountain rescue insurance is strongly recommended. Each participant signs a disclaimer to this effect when collecting their start number.

Rules of conduct:

Skyrunning events are held in nature, lead through nature reserves and over existing paths, trails, gravel paths, forest roads, and private and public roads. Traffic laws must be observed and you must run on the left with oncoming traffic. Order must be maintained when crossing public roads and private property. Immediate disqualification by the organiser should be expected in the case of unfair behaviour towards other participants, denial of assistance if other participants experience an emergency and if polluting nature. Should you be missing any items from the mandatory equipment at the inspection before the start, these may be acquired before the start if still possible, otherwise starting the Kaiserkrone is not permitted. Should the items be missing during an en-route inspection, the organiser will take this participant out of the competition.

Disclaimer:

The event organiser accepts no liability for damage to persons and property. This also applies to lost or stolen clothing or other items. By collecting their start number, each participant makes a binding declaration that they have no knowledge of any reasons or risks which may make participation dangerous to their health.

Each participant acknowledges the event organiser's exemption from liability for damage or injury of any kind and will not make any claims for damage or injury of any kind arising from participation against the event organiser, the municipalities and private landowners through whose land the race leads nor their representatives. Each participant declares that they have sufficiently trained for participation in this competition, they are physically fit and that their

health has been medically confirmed. The race doctor, rescue workers and stewards have the power to remove obviously physically and mentally weakened participants from the race.

Each participant agrees that the data they provided during registration, and the photos, films and interviews on the radio, TV, advertising, books, photomechanical copies – films, video tapes etc. – they make in connection with their participation in the Kaiserkrone may be used without any reimbursement. Each participant states that their given birth year is correct and that they will not pass on their start number to any other person. (note re. data protection regulations: your data will be stored by machine).

There is no right to a refund of the entry fee in the case of non-arrival. The participant who has already paid the entry fee is not entitled to a refund of the entry fee if the event has to be canceled or postponed to another date due to force majeure or official prohibition.

Each participant accepts all ASTA anti-doping regulations (doping checks) even if they are not a member of an association or club. The Kaiserkrone is held in accordance with Austrian Skyrunning & Trailrunning Association (ASTA) guidelines. Participants can find the ASTA guidelines here on the homepage of the Austrian association www.trailrunning-verband.at and are obliged to keep to the ASTA guidelines.

By participating, the athlete commits to compliance with the anti-doping regulations of the Anti-Doping Federal Act of 2007 and the associated provisions of the relevant national and international sports trade association (in particular statutes, rules of sport, competition rules). Athletes are deemed to be a person who is a member or licensee of a sports organisation or its affiliated organisation, or who were one at the time of a potential breach of anti-doping regulations, or who participates in competitions held by a sports organisation or its affiliated organisation or those sponsored by federal sports funding. The organisers and promoters strictly oppose doping. As a participant, you warrant that you have not taken or will take any kind of prohibited substances or prohibited methods for doping purposes. You can find information on whether a drug or treatment method is prohibited here:

<https://www.nada.at/de/medizin/medikamentenabfrage> This service of the National Anti-Doping Agency (NADA Austria) is also available as 'MedApp' for Android and IOS. Should taking prohibited substances or the use of prohibited methods be required by the participating athlete according to a medical or dental diagnosis, it is strongly recommended to keep all medical certificates and findings for any potential retroactive therapeutic use exemption. You can find more detailed information here: www.nada.at/medizin/krankheit-oder-verletzung"

The Kaiserkrone team wishes participants a successful finish, every success and a great trail running experience at the Wilder Kaiser.

We reserve the right to make changes even at short notice.
