

# Kaiserkrone Trail Kids Trail

Sat, 28. June 2025 in Scheffau

As part of our trail running event, there are several competitions for adults, including one for children. We want to teach children the fun of running in a playful way and thus encourage them to exercise and do sport regularly. The children's run should be a valuable contribution to a healthy and active life for the kids.

We look forward to your participation and many spectators.
