Changes to courses or cut-off times
Depending on the weather or for safety reasons, the organiser reserves the right to stop a race in progress, modify the courses and/or checkpoints and change the cut-off time. All such decisions will be made by the race committee and communicated via social media channels and, where necessary, at the race briefing, by SMS/participant information and on site.

Course marking
All courses will be adequately marked with coloured flags and signs. Participants are advised to download the latest GPX file to their device before race day. **GPX files are available at www.kaiserkrone.run**

Registration
Registration takes place via the following portal: TIME2WIN - Kaiserkrone Trail 2027

Cancellation of registration
If participants cancel their registration, they are not entitled to any refund, regardless of the reason. However, cancellation insurance may be purchased through TIME2WIN during registration. Please read the relevant terms and conditions.

Cancellation insurance
Insurance can optionally be purchased during online registration. In the event of withdrawal from participation in accordance with the rules, this may cover the entry fee, subject to the insurance terms and conditions. Claims are handled directly between the insurer and the timing provider Time2Win.

Transfer of registration to the following year (2028)
An entry may be transferred once to the following year, 2028, up to and including 20 June 2027. Participants must arrange the transfer themselves via the Time2Win portal. A transfer fee of €20 applies. After 20 June 2027, transfers to the following year are no longer possible. An entry transferred to the following year is also excluded from refunds.

Changing the selected course
Participants may switch to a different distance themselves via the Time2Win portal up to and including 20 June 2027. A processing fee of €10 applies. If the new distance is more expensive at the time of the switch than the distance originally booked, the difference between the price paid at the time of the original registration and the entry fee applicable on the day of the switch must be paid. If the new distance is cheaper than the distance originally booked, there is no entitlement to a refund of the price difference. A switch to a distance that is already sold out cannot be guaranteed.

Transfer of an entry to another person
An entry may be exchanged or passed on to another person only through the designated exchange facility in the Time2Win portal. Other forms of transfer or change of registration will not be accepted.

Race cancellation and course changes
If the organiser cancels the race for reasons other than safety reasons or force majeure, participants will receive a refund of the entry fee. If the organiser cancels the race for safety reasons or due to force majeure, the entry fee cannot be refunded. Please note that no refund will be given in the event of a course change or an interruption for safety reasons (particularly in adverse weather conditions) or due to force majeure.

Disqualification criteria
Participants will be disqualified for missing mandatory gear, breaches of the rules set out in this document, pollution of the natural environment, unsporting behaviour towards other participants, or failure to follow the instructions of the organising team, official helpers and mountain rescue service.

The following rules must be observed in particular

- All participants must follow the course markings.
- Participants must assist anyone in danger or injured and immediately report every accident by telephone to the race committee or an official course marshal.
- Short sections of some courses run along forest tracks and roads. Particular care is required here. Runners must show consideration for other road users (vehicles, cyclists, hikers, etc.).
- Participants must make way and allow others to overtake.
- Participants must protect the environment – no litter may be left along the course.
- Any form of physical assistance (pushing, pulling, carrying, etc.) to a participant who is not in an emergency or in need of help is prohibited.

Aid stations and cut-off checkpoints
Aid and checkpoint stations are located along the course; depending on the race, cut-off times are enforced at some of them. The stations provide drinks and snacks. Mountain pastures and huts along the course also offer a wide range of refreshments; participants are advised to carry cash. For sustainability reasons, disposable cups will not be provided at the aid stations.

• Kaisern (8 km)

Safety information
Participants must be at least 18 years old. If a race is abandoned, each participant is responsible for their own return transport and must inform race management by SMS using the specified number. In emergencies, mountain rescue must be alerted by calling emergency number 140 or using an emergency app. Instructions from helpers, paramedics and medical staff must be followed; runners may be withdrawn from the race if there are concerns about their health. The Wilder Kaiser GästeCard allows free use of buses in the Wilder Kaiser region.

Rescue costs
Recovery, rescue and helicopter costs may be charged to participants and must generally be borne by them or their insurer, unless other arrangements for covering the costs apply. Insurance is therefore strongly recommended. It can be added during registration. Please check your own insurance terms and conditions in advance.
